Chips & Medallions Meeting Area

Thank you for visiting this adjunct area of the online meetings.

The specific focus of the Chips & Medallions meeting area is the requesting and awarding of time markers for periods of sexual sobriety, accompanied by the related sharing of experience, strength and hope.

If you want a meeting with a full sharing format, please visit the Feedback Meeting, Topic Meeting or Acting In Meeting. If you wish only to socialize, please do so in the Recovery Lounge.

Here is our Statement of Purpose:

Sexual Compulsives Anonymous is a fellowship of men and women who share their experience, strength and hope with each other, that they may solve their common problem and help others to recover from sexual compulsion. The only requirement for membership is a desire to stop having compulsive sex. There are no dues or fees for SCA membership; we are self-supporting through our own contributions. SCA is not allied with any sect, denomination, politics, organization, or institution; does not wish to engage in any controversy; neither endorses nor opposes any causes.

Our primary purpose is to stay sexually sober and to help others to achieve sexual sobriety. Members are encouraged to develop their own sexual recovery plan, and

to define sexual sobriety for themselves. We are not here to repress our God-given sexuality, but to learn how to express it in ways that will not make unreasonable demands on our time and energy, place us in legal jeopardy – or endanger our mental, physical or spiritual health.

This meeting area's format is specifically the awarding of sobriety chips or medallions in response to member requests. Posts are archived and retained indefinitely in the Chips & Medallions area, unless deleted by the posting members. Members are encouraged to share their experience, strength and hope here as it relates to the focus.

Responding to a celebrating member's share is encouraged. Please read the Group Conscience.

Take a moment of silence to reflect on why you are here and to consider the addict who is still suffering.

And now, the floor is open.
