**Feedback for Recovery Meeting**

Thank you for visiting our online meeting. Please feel free to share your experience, strength and hope by posting below.

**This is the online meeting, for sharing experience, strength and hope as it relates to sexual compulsion on subjects of your choosing. If you wish to socialize, please do so in the Recovery Lounge.**

**If you want a meeting with a different format, please visit the Topic Meeting or Acting In Meeting.**

**Here is our Statement of Purpose:**

***Sexual Compulsives Anonymous*** *is a fellowship of men and women who share their experience, strength and hope with each other, that they may solve their common problem and help others to recover from sexual compulsion. The only requirement for membership is a desire to stop having compulsive sex. There are no dues or fees for SCA membership; we are self-supporting through our own contributions. SCA is not allied with any sect, denomination, politics, organization, or institution; does not wish to engage in any controversy; neither endorses nor opposes any causes.*

*Our primary purpose is to stay sexually sober and to help others to achieve sexual sobriety. Members are encouraged to develop their own sexual recovery plan, and to define sexual sobriety for themselves. We are not here to repress our God-given sexuality, but to learn how to express it in ways that will not make unreasonable demands on our time and energy, place us in legal jeopardy – or endanger our mental, physical or spiritual health.*

The format of this meeting is rolling posting, with replies allowed by other members. Older posts will be deleted after a period. Typically, around three months of posts are retained when previous posts are deleted.

This message board meeting is where members can share experience, strength and hope on subjects relating to sexual compulsion as they choose. They may also allow or disallow feedback, as desired. Feedback is not advice or criticism. It can simply mean identifying with the poster, sharing words of encouragement, or relaying program slogans or tools that have helped the responder. Through these discussions, we deepen our understanding of the subjects raised in order to further our recovery.

Please read the Group Conscience and use it as a guide for sharing on the subjects that you wish.

Take a moment of silence to reflect on why you are here and to consider the addict who is still suffering.

And now, the floor is open.
